

**Elevator Speech**

*(Remember to adjust your approach for different audiences. You simply want to make an impression, hopefully a good and memorable one, NOT a solicitation.)*

Penn State Lehigh Valley is one of 19 undergraduate campuses in the Penn State system. The campus, which boasts enrollment approaching 900 students, is conveniently located in Center Valley near the Promenade Shops. We are the oldest continually operating campus with over 112-years of servicing students in the Lehigh Valley. The campus offers 8 academic degree programs that can be completed on the Lehigh Valley campus and affords access to over 160 majors offered at University Park, other Penn State campuses, and the online World Campus through the two-plus-two model. Our student athletes compete throughout the state in the PSUAC and nationally in the USCAA. Beyond the classroom, the campus has a variety of club sports, student groups, a fitness center, and two art galleries.
